

Backstop CEO Jeremie Bacon to Speak at Emerging Managers Symposium

Wednesday, January 27, 2010 – Backstop Solutions Group, LLC, a leading provider of Software-as-a-Service platforms for the alternative asset management industry, today announced that Jeremie Bacon, President and Chief Executive Officer (CEO), will join a panel of industry insiders at the Deutsche Bank, *Emerging Managers Symposium 2.0*, on February 2nd.

Mr. Bacon will be a member of a panel assigned to address technology solutions for the next generation of hedge funds.

Under Mr. Bacon's leadership Backstop Solutions Group has become one of the fastest growing software providers in the alternative asset management industry and has won numerous awards as the top technology provider in its field.

This and other panel discussions will provide an in-depth look at key areas of interest start-up managers are focusing on in 2010, including:

- Specific front-back office technology options and roles
- How to handle the increasing role of risk management and compliance
- How to choose an administrator
- Service provider roles, agreements and expectations
- Accounting and tax considerations for 2010

About Backstop Solutions Group

Backstop Solutions Group, LLC is a privately held Software-as-a-Service (SaaS) platform company, providing cutting-edge software to hedge funds, funds of funds, endowments and other institutional investors. Backstop Solutions was founded in 2003 and is one of the fastest growing software providers in the financial services industry. Backstop software is used by more than 225 firms throughout the United States, Europe and Asia and has been repeatedly recognized by industry leading managers and service providers as a top technology provider in the alternative asset management field.
