

Deborah R. Hill Joins Backstop Solutions Group as the Director of Professional Services

Tuesday, September 9, 2008 – Backstop Solutions Group, LLC, today announced the hiring of Deborah R. Hill as the Director of Professional Services. Ms. Hill will lead a team of project managers, consultants and developers assisting customers with implementation, fund accounting and custom software development projects.

“Deb is a great addition to our rapidly expanding business,” said Jeremie Bacon Chief Executive Officer (CEO). “We look forward to the continued success of Professional Services under Deb’s tutelage.”

Ms. Hill brings over 20 years of progressive consulting management experience in financial services, human resources and higher education. Prior to joining Backstop Ms. Hill was a Global Practice Director with Kronos and Vice President of Consulting Resources at PeopleSoft.

“I’m really excited about joining a fast-growing company and look forward to the opportunity to build an innovative, customer focused professional services organization within a company that values teamwork and fun,” added Ms. Hill.

About Backstop Solutions Group

Backstop Solutions Group, LLC is a privately held Software-as-a-Service (SaaS) platform company, providing cutting-edge software to hedge funds, funds of funds, endowments and other institutional investors. Backstop Solutions was founded in 2003 and is one of the fastest growing software providers in the financial services industry. Backstop software is used by firms throughout the United States, Europe and Asia and has been repeatedly recognized by industry leading managers and service providers as a top technology provider in the alternative asset management field.
