Jeremie Bacon - Chief Executive Officer (CEO) and President

Jeremie Bacon is the President and CEO of Backstop Solutions Group, LLC. In May 2003, he co-founded Backstop Solutions Group. Under his guidance Backstop has become a recognized leader in the arena of alternative asset management software. Before co-founding Backstop Solutions, Mr. Bacon spent several years in the equities division of Goldman Sachs, where he serviced traditional and alternative institutional asset management firms. Mr. Bacon's industry experience has provided him with a unique understanding of business systems, services and best practices for the asset management community.

Mr. Bacon is a board member and strategic advisor to several companies in the fund management and investment banking industry. Additionally, he serves on the committee for the Midwest Chapter of Hedge Funds Care, a not-for-profit group within the hedge fund community.

Mr. Bacon earned a BA at Brigham Young University as well as a graduate research diploma from The University of Tsukuba, Japan.
